Greetings:

The Illinois Association of Free and Charitable Clinics is excited to host our 13th annual conference, **United In Health: Transforming the next 20 years**

This is an opportunity for leaders, staff, volunteers, and community partners of free and charitable clinics to share best practices, stay informed of recent policies, and support each other in the great work of the free and charitable clinic sector. The conference draws participants from around the state of Illinois – bringing together all who make our sector diverse, resilient, and essential.

This is the one time each year when there is dedicated time to learn, grow and build community. Some of the feedback from our 2023 conference was: “Energy was so great by far the best one I have been to.” “Great strategies and structures for developing a competent board.” “Great to network with organizations working for equity in healthcare - other than clinics.” “More exhibitor tables with goodies.”
